

Savings Bank of Danbury Website COVID-19 Update on 3/20/2020

YOUR SAFETY IS OUR NUMBER ONE CONCERN

In order to protect our customers and employees, and help reduce the potential spread of COVID-19 (coronavirus), we temporarily closed all of our Savings Bank of Danbury branch lobbies, effective March 18.

However, I want to assure you that we are here to continue to serve your banking needs!

Drive-up windows will remain open. And we will provide uninterrupted banking services for you through a variety of means. Our Online Banking, Mobile Banking, and Telephone Banking services are available to you 24 hours a day, 7 days a week. Our drive-up windows and ATMs are available for most banking functions.

We are taking these additional measures based on new information and guidance from the Centers for Disease Control and Prevention as well as our local and state health departments.

Savings Bank of Danbury is closely monitoring the rapidly developing information surrounding coronavirus (COVID-19). We will adjust our response plans to ensure continuity of service as the situation progresses. We remain focused on supporting our customers and community members through this time of uncertainty in a manner that is prudent and safe for all.
